Camp Winnataska

est. 1918

Camp Winnataska has been changing the lives of young people since 1918. We have 6 summer sessions in June and July. Winnataska is one of the few camps to offer sessions for campers as young as six. Our website is a wealth of information about our camp, including:

- Our history and mission statement.
- What a typical day at camp will be like for your child.
- Dates and fees for the 2010 summer season.
- How to register your child for camp. We offer a very convenient online registration process.
- How to get your child ready to attend camp, including packing lists.

Please visit www.winnataska.org to learn more about "Christian camping at its best."

HEY MOMS AND DADS . . .

So, you know your child would have fun at camp, but what makes Camp Winnataska the best choice for your family?

- **Camp Winnataska is ACA accredited.** We maintain very high standards in hiring practices, health and safety issues, program design and management. You can learn more about ACA camps at www.acacamps.org/parents

- If you do some research, you will find that Camp Winnataska is **one of the most-affordable private summer camps around.** Our fee is all-inclusive. Campers do not need any extra money for

t-shirts or snacks or special programming.

- **Camp Winnataska teaches your camper very important life and social skills** in addition to all the new things they learn in programs.

- Campers learn independence.
- Campers learn to work together and make new friends.
- Campers learn to slow down and appreciate nature.
- Campers learn how to make choices for themselves.

- Campers learn to be a part of a caring community and what makes them special.

- Campers learn to appreciate you!

Here are some comments from Winnataska parents,

"My son loves it and we love the friendly, positive, polite attitude of everyone at the camp. A really great old-fashioned camp experience."

"Isabel relishes the affection she gets from the counselors...they are truly role models."

"I asked my child what her favorite activity was at camp, and she said, 'I like it all!'"

HEY KIDS . . .

Why is Camp Winnataska the best summer camp?

- You get to live in a hut with other campers close to your own age. You can bring a buddy, of course, but you will meet new friends from all over. **Camp Winnataska friends are the best!**
- **Your leaders (counselors) make camp so much fun!** They will live in the huts with you and make sure that you love camp.
- **The Blackfeet and Comanches (college staff) are awesome!** You will get to see the Blackfeet and Comanches in the different program areas every day. They will teach you so many new things, from how to build a campfire to how to steer a horse.
- During the day, you will rotate with your hut to **lots of different activities.** It's hard to pick a favorite, because they are all well-loved by campers. Activities include canoeing, camp outs, ropes course, horses, archery, games and sports, crafts, fishing, swimming.
- **Every night at camp is a party!** Each night has a theme and fun activities around the theme. The Grail pageant

is a play that has been going on at camp for over 85 years. Keep your eye on the bridge – you won't want to miss it!

- **Camp Winnataska is a place where you can be yourself!**

Every camper who walks through the gates of Camp Winnataska is very special. We all add something to "the camp that we love the best of all!"

What do kids have to say about Camp Winnataska?

"This year was my favorite year. I LOVED the staff and my leaders were the best!"

"I liked Country Night the best, when I got to tell a joke to the whole camp!"

"I liked the new canoe dock and the new high ropes course!"
