

Canteen Care Packages

After your check in your camper, stop by canteen* and create a care package.

- Save time!
- Save on postage!

Parents can customize the package by picking out the gifts and goodies to go inside the bag. We've got a large variety of camp-friendly items that kids of all ages, boys and girls, will enjoy.

If you want, you can add Winnataska souvenirs (t-shirts, water bottles, shorts, picture frames, etc.) to put in the care package as well. We'll make sure that they are labeled with your child's name. Sign your card, and we'll do the rest!

Care packages will be delivered with the regular mail on Tuesdays and Thursdays. The base price for a care package is \$5. Additional items can be purchased as parents wish.

* Canteen is located at the side of the gym.
